A new classroom building has been opened with the designation CL. This building is located between the Ryder Building and Nightingale Hall (indicated as a construction area on this map).

Graduate & Professional Student Association

GPSA Conference & Traveling Funding

Deadline for the Fall Quarter: Saturday, February 14th, 1998

A portion of the Graduate and Professional Student Fee has been designated to facilitate students' attendance of conferences and symposia. We would like to encourage academic and research excellence amongst the talented graduate student body. Conference amounts are given up to a maximum amount and will work on a reimbursement basis.

**Recognized student groups and organizations
are also encouraged to apply for funding!**

*Applications are available on the door to the GPSA office
if there are none left, please call us!*

**Join Graduate Student Government and
make a difference!**

President
T.J. Jafar

Vice President for Social & Cultural Activities
Erkut Gomulu

Vice President for Multicultural Affairs
Manjula Hariharan

Vice President for Academic Affairs
Kim Nuttall-Vazquez

Vice President for Academic Affairs
Monica Johnson

Vice President for Finance

Graduate & Professional Student Association

Free Movie Nights

The GPSA will be sponsoring Free Movie Nights on every 3rd Tuesday of the month.

Bring your friends and join us as we stay warm this winter with inside fun!

Dates: January 20, February 17 and March 10.

Where: 333 Curry Student Center - Senate Chambers

When: show starts at 7pm.

★ Suggestions for movies can be addressed to
Erkut Gömülü at the GPSA office.

★ Look for other upcoming social events by dropping by the office at 426 Curry or by calling our office at 373-4502

GPSA Holiday Reception

Celebrate the end of the quarter!

Meet and mingle with fellow graduate students.

Enjoy live music and delicious appetizers.

Date: Thursday, December 11, 1997

Time: 6:30 p.m. - 8:30 p.m.

Grades Due September 8

(Grades mailed September 3 and available on Registrar's Student Information Kiosks and through NU Telegrade 617.373.8000.

Commencement September 17 at Matthews Arena 7:30PM

☎ Call 617.373.8000. Remember: you must have a Personal Identification Number (PIN) to register or add/drop on the telephone

TELEPHONE REGISTRATION INSTRUCTIONS

Our telephone registration makes course registration easier and more responsive. Use a touch-tone* phone and follow the directions provided on the Telephone Registration Worksheet and your registration will be processed immediately and you will receive confirmation of your course selections before you hang up. Refer to the *Registrar's Quarterly Registration Calendar* on page 5 for Telephone Registration and Add/Drop dates.

Your Telephone Registration Worksheet is on page 21. Check the registration restrictions and use the schedules beginning on page 9 to make your course selections.

You may access telephone registration from anywhere in the USA. Although there is no charge for this service, *remember* if you are calling long distance you will pay normal long distance rates.

** If you do not have a touch-tone telephone, you may use the telephones in the Registrar's Office in 120 Hayden Hall during regular business hours to access the telephone registration system.*

Registration Confirmation

Your course confirmation with classroom assignments will be mailed during the week of **December 15**. You may also use the telephone to confirm your courses at any time once you have registered.

Room assignments will also be available on the telephone the week of **December 15**. Call 373.8000 to confirm your classes.

MBA Spring 1998 Registration

The *Spring 1998* course schedule begins on page 31. MBA students may register in advance for Winter courses.

REGISTRATION TIPS

Personal Identification Numbers (PIN)

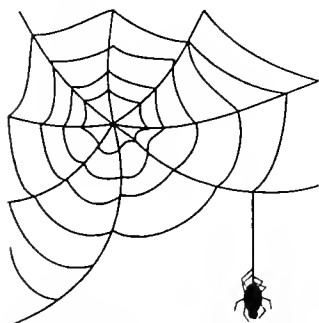

BEFORE REGISTERING ON THE TELEREG SYSTEM you must know your Personal Identification Number (PIN). If you have not previously used the *Student Information Center* kiosks or any voice response system and changed your PIN, use the first four digits of your permanent address zip code on file with the Registrar's Office. If you do not know your PIN and you need assistance go to 120 Hayden Hall during regular office hours at the front desk in the Registrar's Office. PINs will not be given out over the telephone and a valid photo ID is necessary to receive a number.

- Complete your Telephone Registration Worksheet on page 21 **before** calling.
- When adding and dropping courses you should drop *first* so as not to exceed your maximum allowed hours.
- If your college has blocked your registration, refer to the phone numbers for Telephone Registration Assistance on the header page for each college during normal business hours. Use the following numbers to reach those administrative offices that may have blocked your registration:

Bursar 373.2270
Lane Health Center 373.2772
- If you get a busy signal, hang up and wait a few minutes before trying again.

Readings/Continuations/Theses/Dissertations that do not appear in this book

If you are registering for any of the courses listed above, and there is not a class listed with your advisor, please use the registration form on page 22. This form can be dropped off, mailed, or faxed to your dean's office (for College of Arts & Sciences students please send this form to your department) for the necessary approval. We will process your registration once your college office has verified this added course.

FINANCIAL INFORMATION

Tuition Payment

Full payment of tuition and other related charges are done by the beginning of each quarter. The following are accepted methods of payment:

- Check or Money Order payable to Northeastern University.
- American Express, MasterCard, Visa or Discover. Payments may be made in-person or by calling our 24-hour automated charge line 617.373.2319 or 1.800.937.4067.
- Enrollment in the Three Payment Option described below.

Students are responsible for the prompt payment of all bills. If a bill has not been received by the first week of the quarter, please contact the Bursar's Office at 617.373.2270 and a bill will be created for you.

Any discrepancies in your bill should be brought to the attention of the Bursar's Office. If there is a billing problem, pay the undisputed portion of the bill to avoid any additional late fees.

For complete information regarding Graduate School expenses, please refer to the *"Hands on Approach to Tuition and Fees"* brochure published by the Bursar's Office. If you require additional assistance, call the Bursar's Office at 617.373.2270 or e-mail the Bursar's Office at bursar@nufi1.finance.neu.edu.

Tuition Rates

Graduate tuition varies by college and program. Consult the following schedule for the tuition for your college.

College	Tuition per quarter hour of credit
Arts & Sciences	415.00
Bouve College of Pharmacy & Health Sciences	415.00
Business Administration	475.00
Computer Science	450.00
Computer Science-Network Northeastern	450.00
Criminal Justice	415.00
Engineering	440.00
Engineering-Network Northeastern	440.00
High Technology, MBA (New Students)	520.00
(Current Students)	510.00
Nursing	415.00
Professional Accounting-Taxation	475.00
Doctoral Dissertation-On and Off Campus	600.00

Master's Thesis Continuation Fee is charged at the rate equivalent to one half of one quarter hour of credit in the college in which the student is enrolled.

Doctoral Dissertation Continuation Fee and Engineers Thesis Continuation Fee are charged at the rate equivalent to one quarter hour of credit in the college in which the student is enrolled.

Health Service Fee

The University provides a student health program for all students who have matriculated, carry a course load of nine credits or more, or are enrolled in a full-time program. The health program includes both hospital insurance and the services of the Lane Health Center. Participation in the program is mandated by the Commonwealth of Massachusetts.

Students who are covered under a comparable hospital insurance plan may waive the Health Services fee by filing a waiver available at the Office of the Bursar.

Three Payment Option

Northeastern University offers a three payment option plan. Information regarding this plan may be obtained by calling the Office of the Bursar, 617.373.2270. There is a nominal fee for participation in this program. Applications along with the initial payment of 1/3 plus the fee are due before the beginning of the quarter.

Late Payments

A \$75 late fee will be added to the balance for all students who do not pay the amount due in full or make arrangements for deferred payment by the first Saturday of the quarter. In cases where the student defaults on his/her tuition payments, the student shall be liable for not only the outstanding tuition, but also the reasonable collection costs and attorney's fees incurred by the University in collecting unpaid tuition and may be subject to monthly interest charges.

Tuition Underwritten by Employers

In cases where payment is to be made directly by the employer to the University, the student should provide the Bursar's Office a purchase order or statement from an officer of the company certifying that the company will underwrite student's tuition. If there are stipulations associated with the payment agreement, such as a minimum grade level, then the student must either pay the University directly or enroll in the *Three Payment Option Plan*.

Tuition Reimbursement

Many companies reimburse the student upon successful completion of courses. In these situations the student is responsible for payment of the bill at the start of each quarter. Students may select to use the *Three Payment Option Plan*. Tuition may not be left unpaid pending employer reimbursement.

Prorating of Tuition & Refunds

After telephone registration drop/add is complete, the only way you will be eligible for a credit or refund is if you have filed an official withdrawal with the Office of the Registrar. **Non-attendance does not constitute official course withdrawal.** Tuition is prorated according to the following schedule (this varies during the Summer quarter).

Official Withdrawal Filed Within	Percentage of Tuition Refunded
1st calendar week of classes	100%
2nd calendar week of classes	75%
3rd calendar week of classes	50%
4th calendar week of classes	25%
5th calendar week of classes	0%

A different refund schedule may apply to courses that run less than a full quarter.

A withdrawal made after the end of the 4th calendar week does not entitle you to a tuition credit. If you prefer to receive a refund (rather than a credit toward future registration), you must file a refund petition with the Office of the Bursar, 254 Richards Hall.

Transcripts and other academic records will not be released until all financial obligations to the University have been met.

All rates are subject to revision at the discretion of Northeastern University's Board of Trustees.

GENERAL INFORMATION

Office of the Registrar

The Office of the Registrar is located at 120 Hayden Hall. Regular office hours are 8:30-4:30PM with extended hours until 7PM on Monday-Thursday. During July and August office hours are 8AM-5PM with extended hours until 7PM on Monday-Thursday and Friday 9AM-3PM.

Telephone: 617.373.2300
FAX: 617.373.5351
TTY: 617.373.5360
e-mail: registra@lynx.dac.neu.edu

Student ID Cards

ID cards for part-time students will be mailed each quarter. If you lose this ID, a replacement may be obtained through the Office of the Registrar. Full-time students will receive a photo ID card through their dean's offices.

Transcripts

The Transcript Office, 117 Hayden Hall, requires your written release before a transcript can be sent out. A request form is available in the Office of the Registrar. Official transcripts are \$2.00 each. Written requests should be sent to:

Northeastern University
360 Huntington Avenue
Boston, MA 02115
Attn.: Transcript Office-117 HA

FAX requests are *not* accepted.

Record information for personal use is available at the *Student Information Center* kiosks located around campus.

All questions regarding transcript requests should be directed to the above mailing address or call 373.2300. Transcript Office hours are Monday-Friday 8:30AM-4:30PM. During the summer months of July and August office hours are Monday-Thursday 8AM-5PM. You may also fill out a written request for transcripts by going to the Office of the Registrar.

Student Information Changes

Forms are available in the Office of the Registrar to notify the University of the following:

- Name change or correction
- Address change or correction
- ID Number change or correction

You may use the forms or a letter directed to the Office of the Registrar will be accepted to initiate the necessary change.

Student Information Kiosks

Student Information kiosks are located in the Hayden Hall lobby just outside the Registrar's Office, in the Hayden-Richards Concourse, the Ryder Hall Lobby, the Snell Library (Extended Hours Area), the Curry Student Center Lounge, the lobbies of the classroom building and the Marino Recreation Center. At these kiosks you can print your class schedule, your most recent grades, a personal copy of your academic transcript, and view registration, exam, and academic calendars. You will need to know your PIN to access this information (see page 6).

Adding a Course

Once the Add/Drop dates have passed for Telephone Registration you must register with your dean's office. If the Office of the Registrar does not receive a registration for you, your name will not appear on the grade sheet and you will not receive a grade in the course.

Dropping a Course

Once the Add/Drop dates have passed for Telephone Registration you must notify the Registrar when you are dropping a course. Ceasing to attend class or notifying the instructor does not constitute official withdrawal. Course Drop Forms are available at the Office of the Registrar, at 120 Hayden Hall and the main office of the Burlington campus. If you are unable to obtain a drop form, a letter directed to the Graduate Registrar will be accepted as official withdrawal.

"W" Grade

Course drop forms received between the beginning of the sixth calendar week of the quarter and the end of the ninth calendar week of the quarter will be processed in the following manner: The instructor will be directed to mark a "W" grade on the grade sheet. This "W" grade will appear on your official transcript. After the ninth calendar week no drops will be processed and you will receive a letter grade for the course.

Commencement

If you plan to graduate in June or September of the current academic year, please complete a pink Commencement Card with the Registrar. These cards are available at all registration sites and in 120 Hayden Hall. Future commencement correspondence will be sent to students who indicate the possibility of graduating.

Emergency Closing

Northeastern University notifies students by radio when it becomes necessary to cancel classes because of extremely inclement weather. AM radio stations WBZ (1030), WBNW (590), WEEI (850), and WRKO (680) and FM stations WBCN (104.1) and WBMX (98.5) are authorized to announce the University's decision to close. Since instructional television courses originate from live or broadcast facilities at the University, classes and the courier service do not operate when the University is closed.

The University makes every effort to reach the radio stations with "no school" announcements early. Students are encouraged to listen to the radio as the primary method of learning of any University closings.

When it is necessary to cancel classes, the University will be closed both day and night unless stated otherwise. Students should not attempt to come to the University at such times. Certain offices will provide emergency staff coverage during those situations.

Should a cancellation be made during final examinations, the examination will be rescheduled for Saturday of the examination week.

You can now get more information about the Registrar's policies and procedures by visiting our web site:

Ms. Christie Halkett

e-mail: christie=coffin%staff%soc@nUNET.neu.edu

REGISTRATION RESTRICTIONS: Students in graduate schools outside of Arts & Sciences may register for graduate Arts & Sciences courses if all prerequisites listed have been met. Non Arts & Sciences students should check with the course instructor to ascertain that they have the appropriate background before registering for the course in question. In addition, if you anticipate receiving degree credit for the graduate Arts & Sciences course, you must obtain approval from your own graduate school.

All graduate History majors (313, 323, or 395) must register through the History department.

Psychology courses are open to psychology majors (309, 319, 329, and 399) only. Other students must see the graduate coordinator in the Psychology department if interested in registering for a Psychology course.

PLEASE NOTE: To register for a course offered by a graduate school other than Arts & Sciences, you must contact the dean's office in charge of that course to obtain a Cross Course Registration form.

If you are registering for a readings/continuation/thesis or dissertation and your advisor's name does not appear in the book, use the separate registration form on page 22.

Graduate School of Business

Administration

350 Dodge Hall

373.5992

Office hours: Monday-Friday 8:30-4:30 PM
(Summer hours Monday-Thursday 8:00-5:00 PM)

Attention all MBA students: We are pleased to offer our MBA students the opportunity to register for courses one quarter in advance. Please make your course selection for both the Winter 1998 and Spring 1998 quarters (Spring courses on page 31). You will minimize the risk of being closed out of a desirable course by taking advantage of this early registration procedure.

Confirmations for early Spring 1998 registrations will be mailed by the Graduate School of Business Administration. Even though you are registering for the Spring, you will not be billed until the first week of Spring classes.

PLEASE NOTE: Some changes have been made to these courses since publication of the Fall book. Those changes appear here in *italics and bold print*.

Bouve College of Pharmacy & Health Sciences Graduate School

302 A Mugar

373.2708

Director of Graduate Admissions: William Purnell
Office hours: Monday-Friday 8:30-4:30 PM
(Summer hours Monday-Thursday 8:00-5:00 PM)

Academic and Registration Advising: Students accepted into degree or non-degree programs must consult their academic advisors to complete an approved program of studies before making and initial registration. Students wishing to take a course on a non-degree, non-program basis must file a special student application along with an official transcript of the highest earned degree and an application fee at the Graduate School office. Those needing advice about courses should see Dean Vazquez-Nuttall or Professor Robert Curtin in 203A Mugar. Special students should understand that filing a special student application is a different and separate process from applying to a degree or non-degree program.

Students in the biomedical, pharmaceutical and clinical sciences as well as concentrations in health policy and management: You may register for Biology (BIO) and Chemistry (CHM) courses in the Graduate School of Arts & Sciences. In addition, you may register for any courses in the biomedical, pharmaceutical and clinical sciences in health policy and management.

Speech-Language students must register with their advisors.

Students in counseling, rehabilitation, special education, speech language pathology, audiology, and clinical exercise physiology: You may register for approved courses in other graduate schools. If you are interested in taking a Psychology (PSY) course, you must contact the graduate coordinator in the psychology department before registering. If you have questions please see your advisor.

PLEASE NOTE: If you are unable to telephone register for a course by another graduate program, you must contact the dean's office in charge of that course to obtain a Cross Course Registration form.

If you are registering for a directed study/readings/continuation/thesis or dissertation and your advisor's name does not appear in the book, use the separate registration form on page 22.

REGISTRATION TIPS

- When adding and dropping courses you should drop *first* so as not to exceed your maximum allowed hours.
- If your college has blocked your registration, refer to the phone numbers for Telephone Registration Assistance on the header page for each college during normal business hours. Use the following numbers to reach those administrative offices that may have blocked your registration:

Bursar	373.2270
Lane Health Center	373.2772
- If you get a busy signal, hang up and wait a few minutes before trying again.

Registration Form

Only for

Readings/Continuations Thesis/Dissertations

that do NOT appear in the Course Offering Book

Winter 1998

If you are registering for a readings course, continuation, thesis or dissertation and there is not a class listed with your advisor, please use this registration form. This form can be dropped off, mailed, or faxed to your department/dean's office for the necessary approval. We will process your registration once your college has verified this added course.

Graduate School of Computer Science

169 Cullinane

373.2464

Registration Questions

373.2646

Director of Graduate Studies: Agnes Chan
Office hours: Monday-Friday 8:30-4:30 PM
(Summer hours Monday-Thursday 8:00-5:00 PM)

REGISTRATION RESTRICTIONS: Students in the Graduate School of Computer Science may register for any courses within the Graduate School of Computer Science if all prerequisites listed have been met with the exception of: COM3117, C/UNIX; COM3301, Database Systems; and COM3501, Computer Networks. You may only register for PhD Continuation *after* you have previously registered for PhD dissertation.

PLEASE NOTE: To register for a course offered by a graduate program other than that in which you major, you must contact the dean's office in charge of that course to obtain a Cross Course Registration form.

If you are registering for a readings/continuation/thesis or dissertation and your advisor's name does not appear in the book, use the separate registration form on page 22.

Graduate School of Criminal Justice

400 Churchill Hall 373.3328

Director of Graduate Studies: Robert Croatti, Associate Dean
Office hours: Monday-Friday 8:30-4:30 PM
(Summer hours Monday-Thursday 8:00-5:00 PM)

REGISTRATION RESTRICTIONS: Students in the Graduate School of Criminal Justice may register for any courses in other graduate schools with permission from the Director of Graduate Studies.

PLEASE NOTE: To register for a course offered by a graduate program other than that in which you major, you must contact the dean's office in charge of that course to obtain a Cross Course Registration form.

If you are registering for a readings/continuation/thesis or dissertation and your advisor's name does not appear in the book, use the separate registration form on page 22.

Graduate School of Engineering

130 Snell Engineering Center 373.2711
Internet access to the Graduate Engineering catalog is now available at <http://www.coe.neu.edu>

Dean of Graduate Studies: Yaman Yener
Office hours: Monday-Friday 8:30-4:30 PM
(Summer hours Monday-Thursday 8:00-5:00 PM)

REGISTRATION RESTRICTIONS: No one will be allowed to register for courses without first applying for and receiving admission to the Graduate School of Engineering. With the exception of information systems, it is expected that applicants have earned a bachelor of science in engineering or a related field. Students may pursue degrees on either a full-time or part-time basis. Full-time students are expected to maintain a minimum course load of eight quarter hours per quarter, or be enrolled in thesis or thesis continuation, as described in the "Graduate School of Engineering Student Guide and Catalogue". Part-time students may not exceed six quarter hours per quarter without the prior written approval of the Graduate School of Engineering. Part-time studies may be started in any quarter, but full-time studies must begin in the fall quarter.

PLEASE NOTE: To register for a course offered by a graduate program other than that in which you major, you must contact the dean's office in charge of that course to obtain a Cross Course Registration form. Students in the Graduate School of Engineering are permitted to register for Math (MTH) courses in the Graduate School of Arts & Sciences without obtaining the prior approval of the Graduate School of Arts & Sciences. Engineering students are required to get a Cross Course Registration form to register for courses offered by the Graduate School of Computer Science.

If you are registering for a readings/continuation/thesis or dissertation and your advisor's name does not appear in the book, use the separate registration form on page 22.
